

BUILD SEAMLESS CHILD CARE

IT'S TIME TO CREATE AFFORDABLE FULL-DAY EARLY LEARNING AND CARE
IN B.C.'S PUBLIC SCHOOLS

Benefits of the Seamless Day

- 
- Improved accessibility and fewer transitions for kids
 - Enhanced and informed care that is education-focused
 - Coordination of care and learning between before- and after-school and school day programming
 - More secure and reliable child care options in every community;
 - New opportunities to recruit and retain high-quality education assistant and early childhood educators
 - More effective delivery of cost-effective, high-quality child care spaces
 - Increased investment in the public school system

Structure of the Seamless Day

- 
- Children arrive at their local public school for before-school care
 - The classroom teacher joins the ECE and students for the school day
 - The ECE remains in the classroom, providing care and educational leadership in partnership with the teacher
 - A second ECE joins the class just before lunch, allowing for overlap and preparation time
 - The morning ECE concludes their day during the lunch break.
 - The second ECE stays with the students and delivers the after-school care program
