

STAFFING IN PERIODS OF DIMINISHING FINANCIAL RESOURCES

Background

The District has a mandate to provide quality education services to students enrolled in schools and programs operated by the District within a fiscally responsible framework.

Procedures

When the District experiences a period of diminishing financial resources, the District shall be guided by two principles:

1. The maintenance of the highest quality of education services is the paramount goal.
2. The provision of the highest reasonable level of job security for our staff shall be the District's second goal - though that goal must be inevitably tempered by the District's determination to respect the rights and needs of the students.
